PALMER IS ON IT AGAIN?????

10th of December. Enivya server. palmer is on it again.

A member of this beautiful community named Lex (xisuuro) sent a bloxybingo private link in the chat not expecting many to join. Palmer, just by the sight of bingo, pinged EVERYONE AGAIN???? Yes, this had already happened before. The server went in total chaos, slowmode was activated and Anna threatened Palmer to fire her as to which she responded with "I didn't know this would actually ping everyone" (she had already used that excuse in week XXI)

Welcome new member Valentina!!!

On the 8th of December the member pvr_star. in AKrow Nest complained about their timeout by Valentina directly to AKrow himself. AKrow believed Valentina should be punished for her crimes and tried to kick her as a joke, unaware of what was about to come.

Pet Appreciation

“Beerus was a very spur of the moment occurrence for me and my wife. She missed her cat Milo (previously featured on the newspaper) and had been begging that we get a cat so, we did. Beerus is the cheekiest little bugger, and definitely a talker! One time he decided to shit on our bed, very hectic night. He also has a tendency to break every toy we give him, as well as urges to ruin our Christmas tree, but we still love him” – Sam

Weekly Member Appreciation

“tabby is really cool and i love his cat” – leena

“tabby who is” – zmight
