### AKROW IN DENMARK!!!

AKrow is **FINALLY** in Demark to meet his BESTIE ANNA!!! He has been planning this for a while and they both wanted to meet up and they have finally gotten to meet each other in real life. On 6<sup>th</sup> October, we see that AKrow states that he's on the flight to Denmark, soon landing there. His Denmark trip was well-planned and he's going to be there for a while. He might return by 19<sup>th</sup> October. With that, the AKrow x Anna fanfiction is now lore accurate!

**Wish AKrow a safe and happy trip to Denmark, have fun AKrow!!**

"I want to live here with anna I already made up my mind" – AKrow (@akrow)

"love having Mr AKrow in Denmark" – Anna (@enivyaa)

# **Halloween Contest!**

There is a new contest in Rounded Entertainment, hosted by senior moderator clem is the Halloween Contest! It started 3<sup>rd</sup> of October and will last till 31<sup>st</sup>. The theme of the Halloween contest is creepy Folklore and Urban Legends. The judges for the contest will be- Clem, Andreea, Raven and Nimue. The top prize is 10k Robux and goes down to 1k Robux for 5<sup>th</sup> place. The arts are allowed to include minimum blood and gore and can be any form of art including traditional, digital, animation etc. AI is strictly prohibited, and judges are looking out properly for each submission.

If you are planning to take part in the contest, it is suggested that you provide some sort of proof for your submission to make sure it's not AI, for that you can show halfway progress or sketch.

## **Pet Appreciation – Sarry!**

Sarry is a Blue's cat with cool patterns on her body. Apparently, she looks Russian according to Teo.

"when i first met sarry, i was scared of this goofball cuz i thought she might eat my toes or whatever but she didnt. one day my scared ass went near sarry and then she started meowing. i thought bro wanted food but no she wanted pets. i pet it and then it hug me. "wow that was quite silly" and then one day bro came to my balcony meowing and eventually licked the floor for some reason. i gave it food but i dont think she likes it so she shitted in my balcony. next day she came it was heavily raining so i put umbrella and it chill under the umbrella for long long time. then i thought, "why not adopt it but let it sit in the balcony since she doesnt like my house?" so i give it food sometimes and most of the time it sits in my balcony if there is a cool rug. few days ago, i bit my hand cuz i accidentally stepped on the tail then i almost died but whatever sarry silly and meow" – blue

“sarry is awesome sauce” – Burger (@burgerpooguy)

“I always suspect he stole my cat because they look similar. What a cat thief” – Plague Doctor (@plague\_doctor\_00)

Ethan, one of the biggest and most wanted criminals of Enivya was just muted for 6000 hours by Envy with the reason given “think about what you have done”.
