### Anna bans akrow for being inappropriate?

Akrow was saying very inappropriate things in general chat – this led to Anna BANNING AKrow for such a crime. Its is absolutely disgusting that he would ever do this, now me personally? I'd never.

"devastated" - AKrow

"deserved, hated that guy." - M15X

"he deserved it" - Anna

"it was a long time coming #PalmerforManager" - Hael

"deserved" – palmer

"crazy" - petrah

## **Friends? Gone. Only betrayal remains.**

Credit: Petrah (as writer)

One harmless question started it all: "who wants to be in district 1?" said Matthew. Little did we all know it would cause pure madness; starting our very own hunger games. As the games began people immediately turned against one another, a lot of people wanted revenge and most of all they wanted to win. The first win of the night was taken by envytina, but right as she won, she said "left with no val, envy commits suicide". Valentina quickly became infamous for her kill streak, taking down more people and friends than anyone expected, Zmight also didn't stop himself from killing others as he secured himself two wins. Palmer, who sacrificed several hours of sleep only to get defeated again and again. Many weird teams evolved from these games due to the fact that many people we wouldn't expect to team ended up in uneasy alliances. Even though it caused a lot of funny moments and unexpected plots one thing was certain, everyone had a lot of fun, and we are all anxiously waiting for next games.

"envy and i were inseparable, only death made us part ♡" – Shoko (authors note: they were canonically dating)

"can we have hunger games every day, every minute, can they never stop" – petrah (authors note: adding a quote from yourself to your own article is crazy)

"got so hungry i ate the games U" -asher

“When I did the hunger games simulator I was expecting it to be fun with just a little bit of chaos, but never in my years would I have expected Valentina to snuggle with Akrow and kill so many people! (also reen stop dying right at the start)” – Matthew

“I never won its unrealistic” – Teo

## **Pet Appreciation** Credit: Andreea

"Back in 2019 on the 18th of June my aunt came over because it was my birthday and she saw outside a little kitten who she thought was dead but then saw that she actually had her eyes glued shut (because of built up eye discharge) and she brought her inside to clean her. Unfortunately she said we couldn't keep her since she didn't know what my parents would think about it so she put it back outside. When my mother came home she overheard two men talking about what to do with a kitten that wouldn't move from under their car so she decided to step in and take said kitten from under the car. When she brought her inside I got excited to see her again and in the end we kept her saying she was my birthday gift." -Andreea
