### AKROW GETS DIRECT SWEARED AT?????

It was a normal Wednesday morning till Pure/Antari, manager in Akrow's Nest pinged Akrow direct swearing at him. Pure chaos was only the first consequence to this action. Pure felt betrayed by Akrow for getting a girlfriend before him and to this Valentina said and quote: "you're the one who keeps resisting me babygirl".

The Pure "couple" started arguing and as Antari mocked Valentina's native language (latin) she came to the conclusion of being hated.

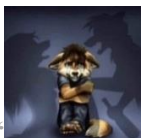

Will Valentina's rejection streak ever end?

"I hate that asian guy" – AKrow

"Heheh... I guess you've seen my true form.... Pray that you're alpha enough to face me....."  
– Antari aka Pure

"pure wants me, he's just scared of me. i will love him truer than anyone else could - he is my love, my life. my dear pure, please, i love you." – Valentina

"Val: What is love? Pure: Baby don't hurt me, don't hurt me Akrow: No more" – Plague Doctor

" – asher

# Lem VS Broccoli

On 18<sup>th</sup> November in Enivya's Server Lem OfNade informed everyone in chat he was cooking broccoli. Nobody could have known that some simple, good, vegetable would have been the main topic of the night.

Lem was complaining about his broccoli taking too long to be ready, however, his friend mara, tired from all the complaining, suggested to turn the heat up only for Lem to realise he had been cooking the broccoli on the lowest heat.

"Local discord mod fails at life skill, in other news a fork was found in the kitchen" - lem of nade

"Hope you enjoyed your mush, next time less water AND HIGH HEAT FOR GODS SAKE" – mara

"gosh these cooking nerds wont even let a man cook his broccolis 🙄 🙄 🙄" – envy

"I hope it tasted just as yummy as it looks" - teo (big lies he was a hater)

"The broccoli looked so yum" – Reev

"needs salt and seasoning" – asher

"I tried it, can confirm that it was delicious" - petrah

## “Good Luck, Shoko”

These were the words that had been pronounced on November 18<sup>th</sup> by dvvg. in VC.

It all started when the member Shoko (me) asked: “dvvg. are you available now?”.

Nobody could have known the Ink Demon was right behind the door.

As they had already experienced the game, Shoko and dvvg. joined a VC in Enivya Server and as she was preparing the game palmer and Petrah joined the experience. Shoko screenshared her laptop and with the stream running with 15 fps and 480p quality the playthrough could begin.

The task was simple: collect three gears; however, it escalated quickly. After grabbing the first two gears easily the Ink Demon, Bendy, started wandering around the large hallways passing through walls. After countless time of searching for the last gear, Shoko (and the team watching) managed to bring all of them back only to be rewarded with many other tasks.

We will arrive to the final chapter eventually but as of right now we are still stuck on Chapter 3 with the endless amount of tasks Alice had entrusted us with. (and yes, as I’m writing this, we still have not finished them all).

"Shoko is a scaredy cat she gets scared when she knows something gonna happen and bendy is Shoko's hear me out" – dvvg.

"shoko getting bendy with it yuhhhhhhhh" – palmer

"i was afk 90% of it but it was great" – Petrah

“i wish i could say ‘never again’ every time i stop playing, but i know i have to finish the work i’ve started :( thanks tabby, palmer and petrah for emotional support” – Shoko

# Pet Appreciation!!

“peaches is one (1) year old. we got him on thanksgiving year last year (2024) because i really wanted a cat ever since i moved. my mom sent my dad a lbkro of a cat on facebook marketplace that needed to go to a home that same day, so as it was snowing my dad had to haul ass and get everything ready to get him, but we decided his name off of a monster flavor (ultra peachy keen) because it’s my dads favorite and kittens are monsters and super playful. anyway, were sliding all over the road to get this boy and we didn’t even know his gender?! i said boy but my sister said girl and ofc i was right bc im awesome. anyway we get there, and this boy is TINY !!!! we get home and he acclimated perfectly to everything and everyone, and he would cuddle up to my big dog oji and under my blanket. he loves eating beef and chicken and his favorite toys are lasers, the backyard, and bells. also when he’s done playing he pants like a dog because he’s so tired. i love him” – asbert
