Akrow left DENMARK!!

As most of us know, AKrow flew to Denmark on the 6th October to meet Anna. After two weeks they unfortunately had to get separated and AKrow had returned home safely. We are all deeply desolated our favourite couple had to part ways so shortly after their meeting. We all hope and believe they will reunite back soon. When back in the US, he paid all giveaways winners that have been waiting for their rewards.

“I wish I could be back with anna already but I will go back eventually!” – AKrow (akrow)

“I hate it so much” – Anna (enivyaa)

“i feel bad for them, i wish that they meet up again soon” – petrah (petrahh)

“finally i can play rivals with him again” – sam (volide)

“very cool, i bet he misses Anna” – meg (333.t)

“this is a national tragedy” – valentina (_valitha_)

PHASMOPHOBIA???

On October 20th in Enivya's Discord Server Anna (enivyaa) proposed the idea of playing the horror game Phasmophobia to a fellow member of the server: Bibi (cvtebibib).

They decided it would have been an amazing idea to stream it in the Server's stage and it was. However, they were not the only people playing as Akrow and Teo also joined the game. The player Bibi was a professional at the game as she was offering advice to the others. The stream reached its peak audience with a number of 11 people watching!

Will there be other events like these perhaps in both Servers?

"it was scary" – Akrow (akrow)

"it was very fun" – Anna (enivyaa)

"A very fun and SCARY game" – Teo (teodorul)

"I am very happy that we finally got to play phasmophobia, as i have been asking for it for 6-7 MONTHS (actually tho)..... IT WAS RLLY FUN even if we died and sucked!!!! cant wait to play again my friends and hunt some more ghostssss 🐼." – Bibi (cvtebibib)

"the perfect game for sacrificing my friends >:)" – Andreea (andreea_lestrange)

A new Newspaper writer?????

On October 17th, __shoko__ (me) was accepted into the Newspaper team as a new writer. Let's give her a warm welcome into the team!

Will she be able to keep up with exams and deadlines??

"i think shoko is very good addition to the team and will bring great addition to the team and it'll be very good team addition to the addition team" – Valentina (_valitha_)

"Shoko is a great addition to our team with (hopefully) a LOT of dedication!" – Teo (teodorul)

"hhhhhhhh new sacrificie for the newspaper" – Dhaloi (dhaloi)

New Giveaways Requirements!

On October 20th, Anna (enivyaa) hosted the usual bi-weekly giveaway in her Discord Server, however, to everyone's surprise, she increased the level requirement!

From level 10 role needed she increased it to level 15!

Was this decision made to increase the server activity?

“finally the more active members will have a chance to win!” – Hael (pattywapz)

“now i can see some known lads” – blue (.elmaurl)

“I think it's a good change as it encourages activity but we'll see how it pans out in the longrun :3”

– Lem Of Nade (lemofnade)

“imo it should be level 100 req but 15 works as well heh will finally have a chance to win ☐”

– afreen (cherryannie)

Pet Appreciation

Darwin is Anna's dog and he is nine years old.

“Uh we drove 5 hours to get him home from where we bought him! He's super cute and handsome! Basically enivya servers mascot! he deserves love. He once swallowed a pair of my folded socks, and when he threw them up again they were still folded, But this time they were grey and not black anymore. he loves those white shrimp chips. He got a really thick fur, so he always jump off the couch like 2 minutes after getting up there because it gets too hot for him.”

– Anna

“I love Darwin he is the sweetest dog and I like petting him” -Akrow

huh?

oh oopsies.

ok what are you doing here??!? Go back

ok so if youre reading this, I the aspher have decided that I will add like sorta informal trivia like two three pages after the end of newspaper with the reward of 250 robux, since I hardly play roblox anymore thought it'd be a good way to spend my leftover robux. This will be weekly so, heres the question or trivia idk:

Who wrote this poem or rhyme?

“skibidi is my rhyme,
I fw with ts like a fine dine
they be calling my name
like im the tiger of the shrine”

Ping me in either RE or Enivya with the answer, first to ping with right answer wins the robux 🤖
