### Tag and Seek!!

AKrow recently released a new game!! It is called Tag and Seek, based on hide and seek. It so far has around 8000+ visits as of writing this, it appears AKrow has been secretly working on this game for a while now, in the game's description we can see that the experience was created on 4<sup>th</sup> July, 2024. More than a year now. As of right now, the developer is unknown. There are 6 custom maps and 2 different game modes. It is plenty of fun.

## Val x Puresancitus

Recently, Valentinaofbyzantium has been seen flirting with manager of RE and AKrow's close friend Puresancitus. It all honestly came out of nowhere but one morning Valentina just woke up and felt like flirting with Puresancitus. I know I know it's pretty random but uhh yeah. She calls it true *love*, except pure does NOT care. So far looks like Val calmed down but who knows, disasters don't come invited. Unless you have demonic power to invite one, I donno about that.

Maybe after AKrow x Anna now we have Val x Pure!?!? Is this becoming “Dating Entertainment” (why am I still alone)

“Idk man I just work here” – Puresancitus (@antariyan)

“why arent they married with 4 children already 😞😞😞” – Envy (@eenvy.charm)

“Pure needs to stop resisting” – AKrow (@akrow)

“he is my true love, i know it... no matter how many times he says no - he can't stop me” – Valentina (@\_valitha\_)

# **Back to Streaming!**

AKrow and Anna have both regularly returned to streaming and we have been seeing at least one streams per week. Anna also hosted a few giveaways in the Discord server post-stream, including one exclusive for server boosters. Fans are excited for this comeback and anticipate to see more streams in the future and hopefully weekly. AKrow also started using webcam for his streams which is cool!

Make sure to tune in for fun streams and robux giveaways from both creators.

“Im really happy that anna and akrow have found back to streaming, i will be there fro every single one!! Wish them a lot of success and money!!!!” – Bibi (@cvtebib)

“I'm fangirling so hard, adopt me” – Palmer (@jegharorm)

## Pet Appreciation – Sweet Peas

“sweet peas age is unknown, probably around 5-8, my dad first got her when he was living in Washington State. sweetpea kinda just appeared on my dad's patio (in the middle of the woods) and was super skinny so my dad brought her in. she gained a lot of weight and currently she weighs 20+ lbs. so far she's on a diet but it's not really working.... she loves tummy rubs and chin scratches a LOT though. I'd say the only bad part about owning sweetpea is that she can't reach her sweetpee area so I've gotta bathe her every 2-3 months and clean her since she's too fat to clean herself....” – Asher
