AKrow is back to Anna!!!

AKrow is back in Denmark with Anna!

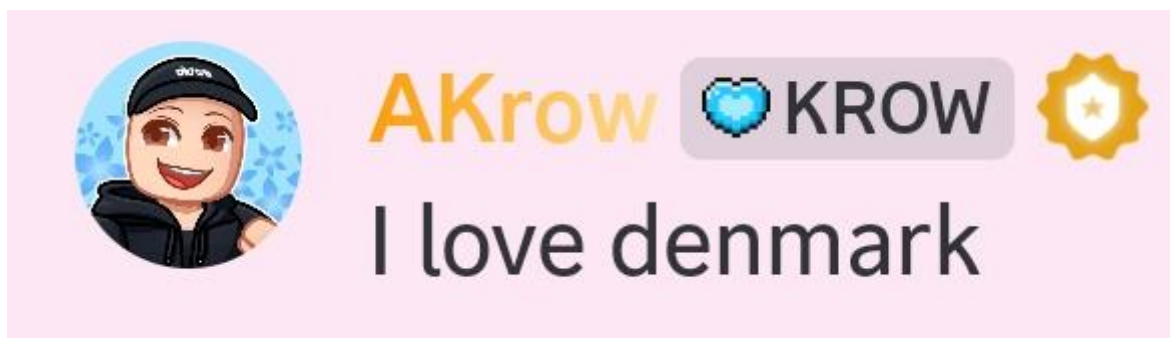

He boarded his flight on the 27th of December and landed safely in Denmark to reunite with his girlfriend! His will stay in Denmark for almost 4 weeks and spend New Year with her!

Let's wish them a nice time together!

“He seems very happy and I'm happy for him” – raven

“Finally Akrow And Anna are together Now more fun streams are on the way 🐶🐶” – squirtle

“I hope they go on a hundred dates!!!” – rose

AKrow MASSPING???

Enivya Server was a peaceful place, AKrow landed in Denmark safely and everything was perfectly fine. Until.

Anna complained that AKrow took too much time in the bathroom and she had EVERYONE in chat pinging him until he came out.

AKrow states and quote: “What did anna say to get me 70 pings”

“Akrow you better give anna all the attantion she wants and even clean her house for her.” – tabby (@dvvg.)

"ping akrow cuz enivya person say ping and i abide by the laws of physics and photosynthesis and brocolli and cauliflower and chemistry and do ping" – blankbox

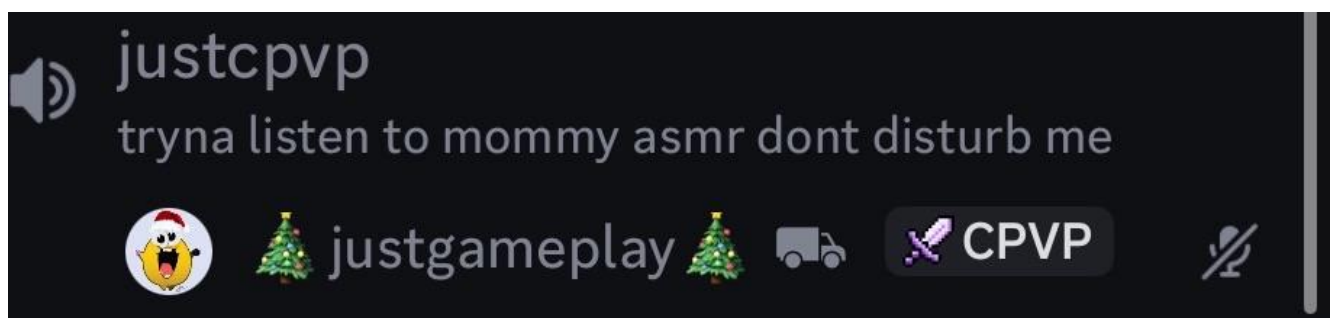

“akrow should shower longer than 2 seconds” – vel

“it was all fun and giggles till akrow forgot to clean his toilet” – zmight

JUSTGAMEPLAY LISTENED TO WHAT?????

A renowned member in AKrow’s Nest joined the general VC channel and started playing some questionable “music”. He played something named “Mommy ASMR”.

I am concerned for the people that were in the channel with him.

"Dang" - @immaculate_fox_56650 (Silent salt cookie)

"don't y'all understand? he's trynna listen to mommy asmr leave him alone rah" - @clum_symeee (Clum)

NUKE IN THE WAY???

As the title states, Anna was nuked during her Christmas stream by 50! Congratulations Anna!!

"50 is so awesome for nuking me" – Anna (out of context would be a crazy thing to say)

"Anna getting nuked awesome i just landed in denmark" – Akrow

"The Akrow Business bringin the bread like never before" – cvtebibib

ANGRY BIRDS TAKEOVER

On the 30th of December Enivya server witnessed an Angry Birds takeover consisting in everyone changing their profile picture and username into Angry Birds characters. The involved people joined general vc and started playing Angry Birds music.

I, myself, joined vc to feel this experience in first person as an impostor.

I am concerned for my safety.

Apparently during this Angry Birds meeting Bibi and another member named Itachi were fighting in vc like a married couple.

"angry birds" - zmight

"I like bombs and me and the fat bird named bomb" - vel

"We are angry birds we will defeat all the bad piggies" - squirtle

"im bad and a piggy like a bad piggy"-icicle

"we're birds! we're Descendants from dinosaur! we're not supposed to be nice" - clementine

"Me when the birds are angry, very cool angry birds." – Akram

Im burning out!!!!!!!!!!!!!!

Yes guys, yesterday I was on a trip to go back home and while it normally takes two hours and a half to arrive, I took 4 HOURS AND A HALF. I hate this city by the way. Stuck in a traffic jam for what felt an eternity I received many messages from newspaper team to organise the quotes I received and to help with the nominee form.

My phone battery was dying, people announcing their break while I had already given them something to do.

IN THE MEANTIME, I had to plan comic chapter (tabby please come back I need my motivation), stop procrastination and ALSO keep the school newspaper alive without the other girls (who did basically nothing on the design) have something to say about it. YOU DO IT THEN.

Respectfully, I am crashing out.

(lots of love to the newspaper team I love yall so much please don't fire me)

(THERE'S A NEW FORM FOR PERSONAL STORIES TO BE FEATURED IN NEWSPAPER)
