# Ethan's No Swear Week!?

You read the title right! Ethan, who is infamous for swearing too much has gone a **WHOLE WEEK** without swearing! This is some crazy news. There were so many jokes about Ethan's extreme swearing habits, but maybe now he's changing! This all started when Dhaloi, the publisher of the newspaper told Ethan that if he can go a week without swearing, his name will be on the newspaper! Ethan took the challenge seriously and even completed it.

Maybe the sun will rise from the west tomorrow, we'll see!

"Ethan not swearing for a week is a big deal, especially since he's known for using strong language, often directed at others. I made a deal with him a week ago: if he managed to behave and avoid swearing entirely, he would get his own article in the newspaper. And he managed to pull it off. Well done, Ethan!" – Dhaloi

## AKrow's Vacation Plans And Enivya SMP Confirmed!

At around 3:50 EST, Anna was in her server talking with her members when, all of a sudden, she mentioned that AKrow will be going on vacation. Apparently, AKrow will be traveling to Philadelphia, starting on the 26th of this month.

In the same message, Anna also mentioned the potential release date of Enivya SMP for Minecraft. When Dhaloi asked Anna about Enivya SMP, she stated, "After AKrow gets home from vacation (like start of August)." From this, we know that Enivya SMP is officially confirmed by Anna and is set to be released soon. Members are very excited about it!

"I think the Enivya SMP will be a revolution to this [Discord] server. And the rules should be enforced more strictly. For example anyone who xrays **MUST** be banished from both SMP and the Enivya Discord server. That's how much I hate xrayers. I hate xrayers. Who in their right mind would like using cheats to gain advantage over a block game? We should espically block xraying in the nether dimension. I think anyone who xrays for netherite must be exterminated." – Anonymous

# Keep an eye out for the newspaper team applications!

**Dear Rounded Entertainment and Enivya Server Members,**

We're excited to share a little update about the newspaper team. Right now, we're working with a small but dedicated crew of two writers and one publisher. That said, things are about to shift.

We'll be bringing in a bit of help soon, and yes, that might mean an application could show up when the time feels right. No promises on when exactly, but if you're interested, stay tuned and keep an eye out. Good things are on the way.

In the meantime, *you* can help us out by sending in anything interesting through the tip line at the *end of each article*. Got a story, an event, or just something fun happening around the server? We'd love to hear about it.

## Is Anna brainrotted?

In this article, we will debunk the claim that Anna is brainrotted. It all started on July 6th, when Anna was seen playing a game called "Steal a Brainrot," which is known as a brainrot game. During the game, Anna said, "I like stealing from children" in her Discord server, which got people's attention. It's also important to know that Teo was the one who got Anna to play that game.

When Envy saw the picture Anna shared of "Steal a Brainrot," they asked, "Why do people play this?" Anna answered, "It's addicting, like GAG [Grow A Garden]. You steal from kids and they get angry!"

Anna isn't the only one involved. AKrow mentioned the word "brainrot" 19 times and even talked about making a brainrot game. This shows the idea of brainrot comes from more than just Anna.

# Dhaloi Got A Girlfriend!?

The publisher of *Roundivyan Times*, Dhaloi, has FINALLY gotten a girlfriend! He described it as "love at first sight." Here's how Dhaloi shares his story:

"Okay so, I've known this girl since the start of university. She's smart, cool, and yeah, kind of a tomboy 😏😏. We've worked on assignments together, teamed up for projects, and we chat a lot, just as friends. (I've been friendzoned too many times, but okay 🙄)

Anyway, at the end of the year she tells me she's gonna be working as a cashier to save up some money for school. Since I kinda like her, I started going to that supermarket more, just to see her.

After like three weeks of this, we've started talking a bit more than usual. Then out of nowhere she hits me with, "I want you as my boyfriend." I was honestly stunned. Didn't know what to say. I've never had a girlfriend before, but I always wondered what it'd be like. I mean, I've had female friends, so I know how to talk to girls for the most part. Anyway, it's been three days since then, and yeah, we're going out on dates. It's fun."

"i cant call him gayloi anymore 😊" – Zytuls

"the nerd finally got a gf woowwww yayyyy congratssss!! 🔥🔥 i hope she allows us to legally steal dhaloi's gifs and i hope they share tons of cat memes with each other foreverrrrrr 🥰❤️" – Aurora

"How did he find her?? Did he use in-real life X-ray!! 😊" – Anna

## Weekly Member Appreciation

Every week, we choose a member to feature in this section for their activity, contributions to the server and/or personal achievements.

### **THIS WEEKS FEATURED MEMBER IS DHALOI!**

“Thats cool... soooo when am I getting a girlfriend!” – Akrow

“youll get a femboy next time but i guess tomboy works for now” – Envy

“when is it my turn” – Palmer

Dhaloi is an all-time loner and he got a girlfriend? And she’s a tomboy? And she asked him to be her boyfriend? SHE asked HIM? Dhaloi? This can’t be real.

No way, something’s off, this has to be a prank. Dhaloi barely talks to people and now he’s out here being chosen? What timeline are we even in? Good job, Dhaloi... I guess?
