Femboy Adventure

On the fateful day 25th January, Valentina surprised everyone in Enivya Server with her new stunning and concerning profile picture made by Nina (who affirms she was someone else while she drew that). The profile picture consisted in Val and Astolfo, the famous femboy, kissing.

Members have formulated the theory she chose such subject of her kiss because of her unrequited love for Antari, who cosplayed the character.

I know who you are Valentina.

“what can i say, femboys are just so feminine... and boy.. yeah...!” – Valentina (@_valitha_)

"Me too bro, me too" - Lem (@lemofnade)

In my group of friends, we have the habit to aggressively knock on the school bathroom door whenever one of us was inside.

One time we saw one of our friends go into those bathrooms so we started to knock and joke around. After a while we noticed she wasn't either responding or leaving the bathroom, therefore another one of my friends climbed up the bathroom stall to check on her. She called her but she didn't respond, she was just sitting on the toilet still, like not even shitting or looking fazed by us.

We continued to violently knock on the door until we saw that that friend, who we thought was inside the bathroom, was actually outside waiting for us.

When we returned to our class, I realised that bathroom was locked, like with nails implanted there to lock it up.

So, um like we never understood who was the girl inside that bathroom.

final

Bros final words before the tragic disappearance that occurred on Thursday 29th January 2026, at 7:59pm GMT leaving the server stunned and lost with words. It all began as a lovely day, with the sun and clouds hanging ambitiously in the sky, a plethora of birds chirping in unison and the peace and quietness of no regular day. It felt like nothing could go wrong. But, it hit a minute where one of palmer's messages was seen by an individual and immediately eviscerated off the surface of the Earth. Till now, nobody knows where the message lies. It all remains a mystery. We shall cherish these words for the days forthcoming.
