Hael Graduated!

Roundivyan staff member Hael (@pattywapz) graduated college this week after studying for his Bachelor of Science in Physical Therapy. It took Hael 4 years and 1 semester, and now he can enjoy the rest of his summer!

“Graduation day means you finished another step/goal in life. Feels surreal looking back on this adventure from beginning to end. I had highs of highs and lows of lows, but I'm glad I never gave up in accomplishing one of my goals. 🌟

I hope this story can inspire a lot of people in Enivya and RE especially cause these servers and the people in them, contributed a lot to who I am today as a person. ❤️” – Hael

“Haels cool n stuf” – AKrow

“Heck yeah go you for graduating Hael!! So proud of you” – Anna

Andreea accidentally bans Plague Doctor?!

On August 12th, there was a rule breaker in Enivya's discord server. Andreea was the first moderator in chat, supposedly swiftly copying the rule breakers developer ID. Unfortunately, someone sent a message *right* as andreea was copying their ID, and Plague Doctor (@plague_doctor_00) ended up getting banned for it.

"MY JOIN DATE :pain:" – Plague Doctor (@plague_doctor_00)

"The second I sent the ban message I felt something was wrong and low and behold it was VERY wrong. I still feel very bad about it :(Sorry Plague ❤️" – Andreea (@Andreea_lestrange)

"I found it a very funny situation" – Akram (@akram_wow)
