## Fight breaks out over weekly quizzes?!

On September 20th, Meg our lovely quiz maker hosted a poll in Enivya's server to see what kind of quiz would be made for this week's newspaper. after sending the message, general chat went crazy while trying to decide which to choose - A brutal propaganda campaign took place with people pinging all of their friends to vote for the quiz type THEY wanted, the conversations were heated with *ad hominem*'s slung at every opportunity.

Ultimately, Mythology and History (the better option in the author's unbiased opinion) won

## Pet Appreciation

"Milo is very handsome.  
He is almost 2 years old.

So Milo just basically spawned in my life one day like my parents came home with this tiny 6 week old kitten and he's been with us ever since.

He likes to lay in the sun, play football and eat grass for some reason??? I don't know but his favourite snack is either chicken or salmon.

He is the cutest little Scottish fold I've seen.

One time he got stuck on the roof and all we heard was meowing but couldn't see where he was, he was up there ALL day which was crazy." -meg
