AKrow is going to Denmark!

It is official!! AKrow will be going to Denmark next month to meet his very good friend Enivya, they have known (and properly spoken to each other) for over a year at this point!! It is remarkable how far they and their friendship has come. However, does this mean my [Akrow x Anna fanfiction](#) is going to become a reality? Only time will tell – it is insane that this revered event is finally occurring in actuality, there will be no more waiting soon...

Their bond is unbreakable; nothing can stop them now. ☺ ☺ ☺

“denmark! I'm sure this trip will be very great and have many great things and stuff and stuff” – Akrow

Ash DESTROYS a Treehouse on the SMP?

One of our very helpful employees named “AshTheAmythest” DESTROYED an innocent treehouse in an act that can only be described as abhorrent in nature.

Ash Destroying the Treehouse.

I am ANGRY

Guys what did I tell you about doing interesting stuff? Like COME on...

Anyways, blah blah blah? No actually, I do have something to say here! As seen by the below article we are going to start experimenting with different ideas! If you have an idea then please submit it to the tip line and mark it as a story (it may not be a story, rather something fun that can be included, but it just simplifies the process for us to have it marked this way).

THIS WEEKS FEATURED “MEMBER” IS PALMER’S FISH

credit: Ash and Petrah

This week's pet is Palmer's pet fish, Satan. Satan is 3 years old, and although palmer has owned 21 fish before, they all disappeared, with Satan being the main suspect. He's very shy, and when palmer sees him he's always up to some fishy business.

"this is my beloved fishy Satan. He's 3 years old and is some kind of catfish. Though he looks like a silly goober, i suspect him being somewhat demonic. I used to have 21 fish in total - one by one they all mysteriously disappeared. I only found two corpses. This guy is the main suspect, i think he lowkey ate them. He definitely takes part in some fishy buisness.... He's a shy lil guy so i dont see him often. Most of the time he is hiding in the shadows.... scheming something..... fishy" – palmer

“If palmer disappears at one point we will know who the main suspect is ig”. – petrah

“That fish looks like if it was turned into a human it'd be a fine respectable gentleman” - AKrow
