### “why is [ ] general talking”

13<sup>th</sup> September 2025 (bro we know the date what are you on about). A casual day of the world, people are just breathing and existing. Until the unimaginable nightmare comes true, unliving things come to life. For some reason, the “Bot stuff” channel is talking in Enivya. Maybe dead internet theory was real after all, and the robots were hiding among us the entire time. This also created a Guidelines channel bot. But instead of the “Guidelines” channel telling other peoples to read rules, he starts spreading the virus. In a few hours, the welcome, questions, general and many other channels have arisen. They are self-aware and independent. Could it be the end of the world? I don’t know ask any higher intelligence person.

Eventually there was a mimic for all channels. It was all chaotic and they decided to join a voice chat channel to discuss how to take over the world and destroy humanity. After the meeting ended, they left the channel, but our *spies* managed to gather some information about them. One of the spy was in the whole meeting, turns out they were just talking about tacos and sandwich and how Indian music are goated. We also noticed that a good number of their people belonged to this clan that went by “cvte” according to their server tags, perhaps a cult. But in the end, this entertainment was pretty good and round, perhaps some sort of.. rounded entertainment...?

## Weekly Night Movies Soon!

The hero and administrator of Rounded Entertainment and Enivya, Teo (@teoodorul) has recently made plans to soon start hosting weekly night movies. This could be a cool addition to server's activity as since in RE, trivias, events and QOTD were removed it started feeling very dry. There are also activities in Enivya but they are rarely seen. So, this could be a great addition to add some fun stuff to the server. People would really look forward to having weekly movie nights as something like this has been anticipated for recently. However as of right now, we don't really know whether it's going to be for RE or Enivya, or perhaps both.

This is what the man, the myth, the legend himself has to say:

***“I am very excited about this, looking constantly for movie suggestions from YOU guys!”***

So make sure to suggest your favourite movies to Teo!!!

“Wow that's like super duper awesome, can we watch the Barbie movies and Teresa Larzelere” – meg (@333.t)

“i love the idea, i think that it will be so much fun” – Petarh (@petrahh.)

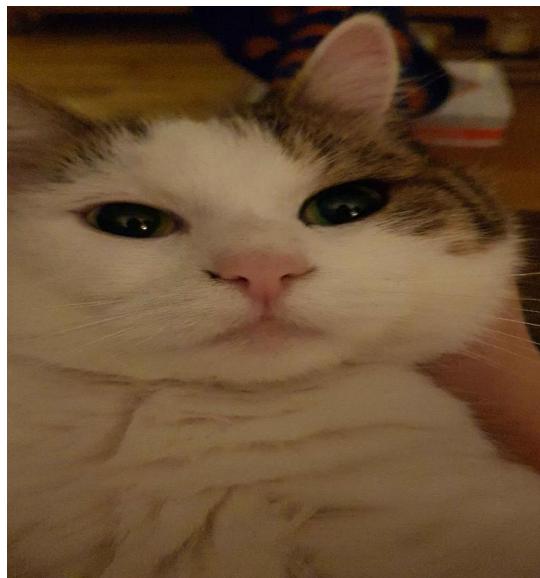

“i love movie nights” – Dhaloi (@dhaloi)

## Pet Appreciation Week – Pien!

Dvvg's cute little kitty "Pien". He is 7 years old and is Dvvg's first real pet he's had. Pien LOVES to sleep all day long (me too) and loves attention. Although he hates loud noises and socialization with other people, he's very skilled at posing for photos. Heres what Dvvg has to say about his cute little loaf:

*"he is my silly cat that I love. If anything were to happen to him i couldn't recover well uhmmmm. Yea some fun facts: he loves to eat yoghurt he will also drink water from the plants instead of his own water. He wants you to watch him while he eats otherwise, he won't eat. He also has to say goodbye every time he goes away and wants to hello when he comes big. And yea hes white with brown spots he also goes outside alot but when he gets in a fight he will stay home for week to know hes safe and then he heads out again. Oh and yea most fun fact his name is pien a girl name, but he's a boy cause my dad didn't see he had balls when we picked him out."*

Pien is very cool and cute, we all love Pien the car <3

Sam, one of the cool members of Enivya and RE, contributor and close friend of Anna and AKrow has recently uploaded a video. It is a collab video with AKrow and other youtubers including cvtebib! The video was created a while ago but uploaded now. The video is an Ink Game tournament for **20000** Robux. AKrow himself has promoted this video with a revive ping and wants to share this with everyone, because it's a very cool video which AKrow is apart of. Make sure to check it out!!

# TEO'S DRIVERS LICENSE!?

Our beloved Teo has recently gotten his DRIVERS LICENSE!! He can now officially drive a car. We've been hearing from Teo before about him doing driving tests, and it appears they went nicely. Now he can finally drink and drive - I mean drive for his family!!! What a great achievement for man. Driver's license is like a quarter of your life and getting it isn't so easy. In South Korea, a woman got her drivers license at the age of near 70, she took 960 attempts. She started in 2005 and passed in 2010 with 200,000 monthly tests taken. While Teo did it so easily in one year.

We are so proud of you Teo, heartiest congratulations for your driver's license!! Make sure to congratulate him 😊

**“YALL STAY EXTRA CAREFUL WHEN CROSSING THE ROADS  
FROM NOW ON!!!! 🎉” – Teo**

“Im also getting my license today hopefully go teo” – Akrow (@akrow)

“i got mine first 😊 hope he doesn't drive under the influence” – Dhaloi (@dhaloi)
