Onion Dictatorship?

A mysterious user named ToastedOnion gained control of the server, being promoted to the rank of “Enivya” and bending members to his will. The server slowly became disavowed with the onion dictatorship; some members began praising a “garlic” that didn’t exist. The core cult and fanbase of Onion executed a supreme authority never before seen. In Onion’s final battle with Valentina, he began talking about “them” and how “they” are coming...

“onion” - AKrow

“i wait for his glorious return”-icicle number 1 onion fan

“onion tried to warn us and now we are awaiting our incoming doom” – Envy

“YOU BUNCH OF IGNORANT IDIOTS,
WHAT YOU HAVE DONE TO ME
WILL CAUSE THE INEVITABLE
DEMISE OF THIS SERVER, ALL I
WANTED IS TO SAVE YOU ALL BUT
NOW, THEY ARE COMING, AND
THEY WON’T SHOW YOU FOOLS
ANY MERCY” - Onion

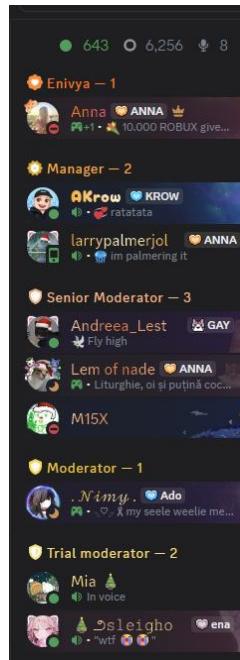

The Interview

Credit: Shoko

It was (not) a normal day in Enivya Discord Server til palmer (jegharorm), Tabby (dvvg.), Shoko (_shoko_), Mia (hi._mia.) and Lex (xisuuro) joined general-1 to discuss the new Larry's meme. Simultaneously Anna and AKrow joined the Duos vc and started dragging (kidnapping) people from the general channel to then free them. They got Palmer, then Tabby, then Mia and lastly Shoko.

However, what did they ask for? It was an interview, *the interview*. It started by saying they had received our moderator application (which was never sent) and they had to do some further questioning. Some answered seriously, some screamed for their lawyer and some answered jokingly. In the end Palmer was promoted to Manager and Mia and Shoko got granted the Trial Moderator role for 6 hours!!!

“Meow” – Anna (envyaa)

“i didnt know we were going to do that” – Akrow (akrow)

“i was SO sure they were gonna fire my ass” – palmer (jegharorm)

“i was kidnapped and forced to child labour, i grade this experience a 10/10” – Shoko (_shoko_)

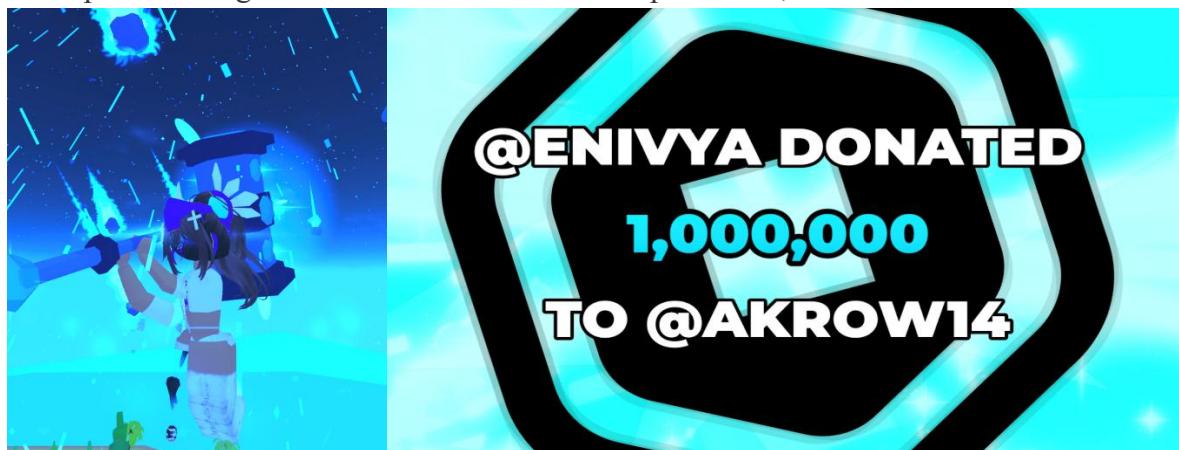

“Akrow you better fear the numbers” – Tabby (dvvg.)

“ANNA and AKROW ... KINDAPPED!!!!!! everybody they were all gone and i was left alone in general - 1 and then suddenly shoko and mia were trial mods and palmer was MANAGER! what happened in that vc.... we will never know” – Lex (xisuuro)

“The interview was so fun! AKrow was talking about his water bottle and Anna was asking very cool questions” – Mia (hi._mia.)

“He is a very mischievous cat; he loves to run around and climb things, and he is also the reason why my laptop is broken.
