ROUNDED ENTERTAINMENT IS DEAD

AKrow recently made the decision to put an end to Rounded Entertainment, but fear not – the server itself will continue to exist.

Due to the recent developments of AKrow's direction in life you could say, it has become clear that focusing on Youtube is now the way forward. Rounded Entertainment will now be known by its former name "Akrow's Nest"

As of right now, we will not be changing the name of the Newspaper.
last minute rounded name change quotes:

"yes 🍔 cool change" - burger

"can't wait to talk in my favourite server, squared entertainment" - lem

"LA VIVA AKROWS NEST LETS BRIMG BACK THE GOLDEN LAND THAT WAS TAKEN FROM US" -envy

"i found it a very cool but very random announcement. Still very curious to what the new name will be!" -akram

"woww.. that's crazy" -reen

"I think the name change is awesomely amazingly fantastical and it needed to be done. The server deserves a fresh start in order for Akrow's community to become more lively and active. Unfortunately Akrow did not approve my idea of summoning 300 Latino baddies, but other than that, GREAT IDEA!!" - Clementine

"i am in outer shock but i support this decision" - petrah

The Palmer Games Incident

On November 7th, 12pm (EST) Palmer pings @everyone on discord, wishing for a hungry games. Let the games begin!

In district one through twelve, these were the pairings: Anna & AKrow, Valentina & Antari, Envy & Bibi, Clum & Icicle, Zmight & Frosty, Lex & Teo, Mara & Lem, Palmer & Sanvi, Rose & Yuki, M15x & Stecan, Burger & Hael, Meg & Sam

The battle was intense. On day one, Lex falls into a mysterious pit and dies, Burger stabs Akrow while he's turned around, Anna devastated. Sam eats some berries and keels over, and worst of all, Bibi stabs Sanvi with a trident, almost instantly killing them. But it gets even better. On the same night, Teo destroys all of Yuki's supplies. During that time, Rose and Lem start a bromance and cuddle, leaving Clum to cry herself to sleep. but unknownst to them, Valentina STABBS Anna to DEATH?!

In the morning, Bibi, Palmer, Lem, and Clum decide that they wanna quit. They form a suicide pact, and kill themselves. Meanwhile, Teo tries to play a deadly game of tag with Valentina, and luckily, she escapes. During the second night, absolutely nothing happens. However, in the morning, Stechan kills Valentina for supplies. Stechan succeeds, Rose not so much. She dies after trying to climb up a tree. Yuki also dies of dehydration.

During the times of night 3, all the way to The Feast on day 6, nobody dies. Probably the craziest thing to happen yet. (besides of course, Lex falling to their death in the first 10 minutes)

Right after the feast on day 6, Hael decides to Kael themselves because they cannot handle the circumstances. On the 6th night, Teo can be heard screaming for help after seeking higher ground, Antari, M15X, and Envy get into a fight, with M15x escaping and killing them both. However, Stecan receives an explosive from an unknown sponsor.

On day 7, M15x picks flowers while Frosty, Mara, Zmight, Stecan, and Teo attempt to hunt people down. During the arena event, the remaining people begin to hallucinate?! During this time, M15x drowns Zmight because he thought Zmight was a shark trying to eat him. Teo doing the same to Stecan..Antari dies due to mysterious circumstances. Frosty steps on a landmine and instantly dies, but in a great turn of events, Teo poisons M15x's drink and dies, leaving Teo the winner of the hungry games. The image below shows the placings of everyone & their districts.

Valentina says a terrible swear word?

🎄 valentreena 🎄 07:38

HECKING HECK

Valentina saying this word led to the Roundivyan times civil war, absolute chaos unfolded after tensions reached such a tumultuous point due to the lack of stories - it tipped over the edge when it was discovered she said these terrible things. The future is now unclear as millions lie dead in wake of the conflict. Will the Roundivyans times ever recover? Is this our last story? Whatever the case might be, the legacy of the paper will prevail.

Anyways, see you all next week.
