ANNA ACES HER EXAMS

Anna's exams are finally over, not only are they over – but she absolutely DESTROYED them, scoring an amazing 7 or above on **ALL** her exams. In spite of her struggles, she was able to overcome every adversity that was thrown her way, the feelings of hopelessness, overwhelming pressure and even the thought that she wanted to quit at times, but she still didn't and pushed through to the very end. We always believed in her, but some people doubted her, she even doubted herself, yet she proved them all wrong and most importantly, proved to herself that she can in fact do anything.

For that, the members of Enivya and Rounded Entertainment are very proud of you Anna. Don't just take it from me, let them speak for themselves:

"I'm so endlessly proud of anna, I couldn't be happier for her and all of her success with so much more to come, I must have the most luck in the world because I have the best best friend I could ever ask for and more 😊" – Akrow

"its so crazy how dedicated anna is to her studies while maintaining a discord server and a youtube channel, she got a 7/10 in her recent test which is so slay, i am extremely happy for her and proud, hopefully she will back to streaming again" – Aspher

“YEAHHHHH ANNA SLAYED THE EXAMS LIKE A QUEENIE SHE ISS #GIRLBOSSING #PIGGECHEF” – Envy

“I don't think people realise how much effort Anna put into these exams. It wasn't just about studying a lot. She had to deal with so much stress (and akrow), so many long days and nights, and yes, she definitely complained sometimes. Honestly, who wouldn't? But even with all of that, she still kept going. She didn't give up, and in the end, she graduated. That says everything. That kind of strength is something I really admire. I'm honestly so proud of her. She gave it everything. She deserves proper rest, proper celebration, and to know how amazing she really is” – Dhaloi

“Hello Anna i know your exams have been real tough and i just wanted to tell you how proud i am of how much work you put into it and how much u deserve everything you have, i know you worked hard and you deserve to have the best summer ever!” – Lots of Love, Petrah□

“I still remember meeting you online when you were 15 now you're 20, a graduate, and even running your own YouTube channel. I'm so proud of how far you've come. You've always been a funny, sometimes adorably dumb, but genuinely amazing friend. You've been there for me through everything, and I hope you know I've always got your back too. Congrats on everything you truly deserve all the success coming your way. ❤️” – Malik

“I am really proud of Anna because its a big moment in her life. I saw her like in private vc's with Palmer and akrow studying all the time. She was really locked in for the past few weeks.

And now she will be active again on her channel which makes me happy because i like to watch her content a lot. I hope she will have an awesome vacation and i wish her the best of luck with her youtube channel.” – Lucas

“When I know Anna got a 10 and a lot of 7 in her exams, I feel very touched and proud. Getting a good grade in one exam isn't an easy task, while what she did, is achieving it in all exams she faced. This remind me of the time I study hard for exams as well, which make me feel extra resonance. Remember, when you feel down, have a mind of giving up, losing direction, think of Anna, her achievement explain why she is called the "Queen". Congratulations on all the deserved results, our best streamer Anna. Happy graduation!” – Plague Doctor

I hope you liked these messages Anna, they're a testament to you and the community you have built. Now, I want to leave my own message for you.

Having understood what you have had to go through to get to this point is nothing short of inspiring to me. Many would have given up, many would have folded, and many wouldn't have had the courage to push through it all – but you were not many Anna and THAT is admirable. Not only that, but you did it while building the best community I have EVER been in. It has impacted my life for the better and I cannot be more thankful for that, it has brought me joy during very uncertain times, it has given me a place to socialise with like-minded people, and it has become my safe space. I wouldn't change it for the world. You should be incredibly proud of yourself for EVERYTHING you have done, here's to many more years Anna. Hope you have A LOT of fun during your well-earned break!

Teo Demotes M15X to get in the Newspaper???

In a brazen attempt to get into the Newspaper, Teo DEMOTED M15X on the spot. Leaving the fate of his staff in the hands of another, who demanded he writes a paragraph on how amazing and slay they are. His position was heroically reinstated thereafter by none other than Valentina herself – wow, she is just such a hero.

“he was a bad mod” – Teo

“good because i hate m15” – Envy

“i think m15x should be promoted” – M15X

DHALOI GETS DDOS'D???

In a crazy turn of events, there was an attack on the Newsletter team by an unknown individual, here are how the events unfolded as quoted by our coder and publisher Dhaloi:

“On June 11, just after 4 PM, my traffic suddenly exploded. It wasn't random. Someone was hammering a single uncached R2 file, our newsletter PDF, over and over. The origin server couldn't handle it and everything slowed to a crawl. I was lucky because Cloudflare kicked in and basically saved my ass. Without it, the whole site might have gone down. I watched the traffic in real time and it was clearly automated. It felt personal, like someone wanted to take the whole thing offline. I traced the source to one IP address and it was hosted on AWS [Amazon Web Services]. I reported it, thinking nothing would happen. But to their credit, AWS actually responded and took the account down.”

Let this be a lesson to anyone who wants to mess with Dhaloi...

The Roundivyan Times is now official!

The formerly unofficial newsletter has now been rebranded as the **official** Newspaper for Rounded Entertainment and Enivy! As such, we will be starting from Week 1 as “Newspaper Week 1”. Many of you have also expressed interest in participating in the newspaper and its production. However, as of right now we are not in a position to accept new people due to the fact that we are still figuring how we are going to do things ourselves! Do keep an eye out for writer applications in a future edition once we are better established and more able to accommodate a larger team.

In the meantime, if you want to help us out then you can submit a story/member achievement with the hyperlink at the very bottom of this article.

i am writing this article to participate in the raffle.

A user spammed “I am writing this article to participate in the raffle” believing they would not get muted for writing it – the absurdity of the phrase has made it become a popular copypasta amongst users, particularly that of Palmer who pioneered its widespread usage.

“i am writing this article to participate in the raffle” – Palmer

“i am writing this article to participate in the raffle” – Alihabeeb

“i am writing this article to participate in the raffle” - Furkan
