We are doing newspaper applications!!

Only Valentina and Shoko are left as writers in the newspaper team and since we want to deliver the newspaper quality that you as readers expect we are doing newspaper team applications! If you want to become a writer we are expecting good English proficiency, it does not have to be perfect, but at least a high enough standard, like knowing where to use interpunction like commas. If you want to become a researcher you are not expected to have the same level of English as a writer, as the task of a researcher is to collect quotes, stories or even create singular articles for the writers to be in the newspaper.

If you have any questions or trouble with the form, contact Valentina (@_valitha_)

Apply here!

Applying does not mean you will make it; your application will be reviewed and if you seem to be a good fit we will reach out to you.

“Please apply we are poor, no one is applying” - Valentina

“More people = less crash outs, please apply” - Shoko

Envy gets BANNED??

On the 15th of February Anna asked Envy how to solve her Block Blasters game and Envy came with a suggestion for a move to do. Anna tried the move and lost the game, saying screw you to Envy and banning Envy. Anna then said she forgot that Envy didn't have moderator perms anymore, this caused the ban to go through. Then Valentina, being the life saver that she is, unbanned Envy quickly after the ban.

Nimue's giveaway

On Valentine's Day Nimue hosted an event in which was passing the bomb. After that she told everyone to go into a voice channel for an 800 Robux giveaway! Everyone was excited and hyped and many people joined vc. Nimue added herself as 'me' because she thought it was funny and she probably wouldn't win. Nimue added people's Roblox users to a wheel of fortune and every time someone got chosen, they would get removed from the wheel. The person who was left as last would win. Nimue told Meg that if she would win herself Meg had to pay her 2k Robux and Meg agreed! Everyone was excited to win until NIMUE HERSELF WON. No one thought it THIS would happen, not even Nimue.

"It was very funny, we all kept saying imagine Nimue wins ... and then she did 🤪 and Meg gave Nimue 2k 🤪 🤪 🤪" - Lex

"Thanks Meg for the free moolah, thank you wheel for the favouritism! and most importantly, thank you me!" - Nimue

"Absolute cinema" - Hippotanium

Pee Credit: Blue

So, I used to have a weird obsession to piss out of the balcony when I was 6-7 years old. This all started randomly and I went to the balcony and started pissing outside and actually saw people getting my piss on their head (help me bro) and I actually ENJOYED IT. This continued for over A MONTHTHHTHTHT. Eventually I got caught by mom and I stopped. Until I did it again and THIS time someone noticed me pee on them and they came to our apartment and argued with my parents and I got in trouble. I never did it again... (or did I)
