The mysterious disappearance of Enivya mod application.

As the mod application closes a dark side has to be discovered. Applications were not going through or members forgot to submit, case example of a fellow member (reev_x9). We're really sad for this inconvenience.

"It's really sad that some mod applications didn't go through since they must've worked hard on them" – rose

"why is google sabotaging potential mods 🤖 ❤️ I'm glad I didn't apply 🥰 " – nimue

"I rage quit for a total of 5 minutes after being told my application didn't go through . But im very happy that petrol and Shoko got chosen!!" – reev

TABBY AND SHOKO MEETING!?! Credit: Tabby

On Monday, Shoko announced that she is going to be visiting Luxembourg in June, where she will meet Tabby. The reaction from everyone [general chat] wasn't what Shoko initially expected, she was really confused why people were saying things like "finally", "as expected" etc. It was probably due to the fact that they vc'ed all the time in the "drawing prison" VC and spoke a lot in general chat. They have been great friends for a good while now. Tabby met Shoko when she wanted to play Bendy, and Tabby wanted to rewatch the game. There was even an article about playing the game in vc that week. They are way too excited about this whole thing and Shoko is worried that Europe will prob explode if she ruins this meetup. Tabby, on the other hand, believes it's going to be a good time, even if in reality it does out to be hell.

"I am really excited for meeting with Shoko and i really wish shes buying me the chocolate like she peomised" – Tabby

"i so happee" – Lex

"tabby and shoko meeting yayyyy from vcs to rl!!!" – Afreen

"I AM SO HAPPY FOR YOU TWO THIS IS AMAZING I HOPE YOU TWO HAVE A FUN TIME" – Mia

"im so glad I made plans to see him I hope everything will be good" – Shoko

SHOKO AND VAL ARE ILL?????

As we are out of topic it has come to our knowledge that both Valentina and Shoko are ill at the same time with the same symptoms, will they survive?

Let's wish them a fast recovery!

“great minds are sick alike” – Shoko

“This illness has drained the life force from my body. I can feel my soul being actively sent to the depths of nothingness as I type this, death is at my door and it only knocks ever closer. I can feel the wind whistle ambiguously as my stomach yearns for the toilet, only for nothing to come out. I can feel the sands of time become lay upon my face as I the redness ever consumes me, reducing me to that of a tomato (tuh-mah-toe). I can feel my bones grinding against the will of life itself as they slowly become nothing but dust. For that, I am sorry Akrowenivyans, for this may very well be my final day.” - Valentina

ANNA BUILT A PRETTY FLOWER!!

The Enivya posted this stunning picture of the flower she created asking to people if it was pretty. She made it with pipe cleaners she bought on her way home.

Amazing flower! (Please teach me how to make them)

“Pretty flower! 🌸 Honestly, it fits her character. Red flowers tend to represent passion, beauty, and romance. All which apply to her. I hope for Anna to continue to bloom as a person, to follow her goals, and make the most of life. And I'd also like to wish her a happy Valentines' Day! 💕” -Nimy

“its very pretty. she did well as she always does” - Akrow

“A regular day, until a flower of great descent embarked into the general chat. The flower bloomed delightfully on the table, full of life and serenity.” - Blue

" prettiest flower made by the prettiest youtuber" - Joku

So I had a NIGHTMARE of my cousin eating all of my food like a lot of them including buk dak, bread, burger, pizza, and mochi!!! After having THE WORST dream of my life, I cried and then woke up at 11am NOT BEING ABLE TO EAT ANY GOOD FOOD FOR BREAKFAST (AAAAAAAAAAAAAAAA). I crashed out and spammed my friend. She said she'll buy me noodles but guess what??? SHE DIDN'T!!!! I crashed out again and cried. It was worst then the big umbrella CRASHOUT incident that happened to me irl. I went down stairs to see what we're having for lunch and it was some meat and veggies. After that, I cried again SIGHHH </3
